# 10 Advantages of AZIMUT Hotels SMART concept

The SMART concept was created by taking a functional approaches to the creation of the ideal hotel room. Every detail was designed taking into consideration that a cozy atmosphere and comfortable stay supported with neutral colors, clever utilization of space and a feeling of harmony would provide the Guest with the most comfortable stay:

1. Peaceful interior design
2. Comfortable beds
3. Elegant stool that replaces the bedside table and can be used for its intended purpose
4. Large full-length mirror
5. Bathroom with rainshower
6. Comfortable working desk
7. LED lights with diffused light
8. Multimedia phone which functions as a charger, music player and an alarm clock
9. Wi-Fi and wired Internet access
10. Large number of multifunctional utility hooks along one of walls of the room.

# AZIMUT Hotels Hospitality 24/7

To make your touristic or business trip comfortable as much as possible, we are pleased to present you the new hospitality standards. Choose hotels of AZIMUT Hotels Chain, traveling across Russia and Europe, and enjoy additional services free of charge:

## Free Wi-Fi
